PDU:
Attendance at the event counts as 2 PDUs towards your PMP certification (1.0 Leadership and 1.0 Strategic and Business Management)

Please book as soon as possible and at least one week before the event via our web site at www.pmi.org.uk. We encourage you to attend these events to take advantage of the opportunity to network with your colleagues and learn more about this growing profession.

For non-PMI members, please contact Shas Ruparel at

shas.ruparel@pmi.org.uk

Please email your name, email address and contact number. Numbers are limited so please only contact if you can make the event.

8 Leading Industry Agile Experts join a 'Question Time' panel for PMI UK and HSBC

Join us for an informative, engaging and interactive evening with some of the key figures in the world of Agile. Based on the format of the popular BBC topical debate programme, this event features 8 thought leaders and industry experts who will answer questions put to them by you – the audience, in the areas of:

- Agile vs Traditional methodologies
- Scaled Agile
- Agility with Business Operations

This is a great opportunity to learn about some of the Agile 'war stories' and lessons learned from practitioners experiencing the real-world challenges and successes it brings.

This session is equally applicable to all those interested in the adoption of Agile. Whether you are new to it or a seasoned professional, there will be relevant 'take-aways' for all.

Agenda

- 5:00 pm Refreshments & Networking
- 6:00 pm Main Session
 - Topic 1 - Agile vs Traditional methodologies
 - Topic 2 - Scaled Agile
 - Topic 3 - Agility with Business Operation
- 8:00 pm Wrap Up & Close

For Registered attendees, please submit your questions by 15th October 2018 to shas.ruparel@pmi.org.uk

..... Panellists

Gez Smith Global Head of Agile, HSBC

Gez has been working in agile for over 15 years, for clients including 10 Downing Street, HMRC, the BBC Trust and Glastonbury Festivals.

Rob Moores Agile Programme Manager, Google

Rob has spent the last 12 years working with, and implementing, Agile-based delivery processes across a number of organisations. He is chair and co-founder of the PMI UK Agile forum, established in 2013 to build a community to discuss and learn about how organisations have tried to find the balance between agility and governance.

Andy Hughes Global Ways of Working Lead, HSBC Commercial Bank

Andy has over a decade of Agile experience and has worked across the Financial Sector with a number of large organisations. He is passionate about helping with complex organisational transformations, cultural change and agile leadership. Andy also holds experience leading delivery teams, both in an IT and non IT context.

Philippe Duban Global Head of Business Transformation, HSBC RBWM

Philippe has always been passionate about customers. Before joining HSBC, Philippe worked for Bain and Company, and was instrumental in delivering better customer experiences to customers to achieve sustainable revenue growth.

Philippe is currently responsible for the Transformation activities in Retail Bank and Wealth Management including driving agility in the business and their stakeholders.

Cheryl Razzell Global Head of Digital Platform Operations, HSBC

Cheryl has worked in many large organisations like BBC, Apple, News international, Microsoft and HSBC. Over her career she has undertaken many roles from Desktop support to project management and Global IT Director to Platform Support and Development.

John Young Executive and Team Coach

John helps organisations transition into the effective use of Agile and Lean Startup principles and practices. He is a graduate of INSEAD's Executive Master in Change. His clients include HSBC, Deutsche Bank, Investec, Pantheon Ventures and Lloyd's of London insurers. John also works with early stage entrepreneurs.

Myriam Hamed-Torres **Agile Coach, Thomson Reuters**

Myriam is a dynamic Software Development Manager and Agile Coach offering a wealth of experience in managing all phases of the project lifecycle, from concept definition through implementation.

She is extremely passionate about delivering successful results and value to the Business as well as coaching project teams to help ameliorate the way they work.

Ian Hexter (Chair) **Global Delivery Director, HSBC**

A highly motivated and ambitious change leader, with over 20 years global experience in Financial Services delivering transformational change programmes, currently focused on driving business agility and agile change into the organisation.

Member of the Change Management Institutes Thought Leadership Panel providing direction and insights to change practitioners globally.
